

GORILLA Black/Red

DESCRIPTION

Introducing the White Shark GORILLA Gaming Headset - where lightweight meets comfort for an immersive audio adventure. With a mere 213g weight, its ergonomic design ensures a feather-light fit. Experience crystal-clear stereo sound through 53mm drivers, while the detachable omnidirectional mic enhances communication. Crafted with aluminum, plastic, and eco-leather, it's the perfect blend of style and durability. Dive into gaming glory with GORILLA's seamless compatibility across platforms.
