

TACHI Pink

DESCRIPTION

Elevate your gaming setup with the White Shark TACHI keyboard, featuring 104/105 membrane keys and anti-ghosting support for up to 19 keys, ensuring precise and responsive input during intense gameplay. With a full layout design and additional rising legs for comfort, the TACHI is built for both durability and performance. The keyboard connects via USB 2.0 with a 1.5m cable, providing flexibility for your setup. Crafted from sturdy plastic, the TACHI offers a reliable and affordable option for gamers looking to upgrade their gear.

KEY FEATURES

- Membrane key switch offers a quiet, smooth typing experience with responsive keys, ideal for comfortable use in gaming and work.
- White illuminated keycaps provide stylish lighting for enhanced visibility and a sleek look during both gaming and typing.
- Full layout keyboard with 19 keys anti-ghosting for smooth, uninterrupted gaming and typing, ensuring precision and responsiveness.
