COSMOS C700P BLACK EDITION

MCC-C700P-KG5N-S00

RAISING THE BAR(S)

FEATURES

COSMOS C700P Black Edition – Advancements upon the original COSMOS C700P include the PSU Shroud, flat radiator brackets, fine mesh panels, cable cover system, and an extra rear panel—all housed in a matte black C700P.

Highly Versatile Layout – The unique frame design supports a conventional, chimney, inverse layout, or a fully customized layout. The motherboard tray is also removable for installation outside of the chassis.

Extensive Cable Cover System – The 3 included covers can be placed on either the M. Port or on the mid-plate, with the ability to mount SSD storage or a reservoir.

Diverse Liquid Cooling Support – A flat radiator bracket design offers more versatility for liquid cooling with the ability to be mounted on the top, front, or bottom of the frame. The two included brackets can each support a 420mm radiator.

Curved Tempered Glass Side Panel – A lightly-tinted tempered glass side panel, with two curved edges, offer a wide view of the system build.

RGB Lighting Control & Sync Up – Control the RGB lighting system from the front I/O panel by switching lighting modes or by syncing the lighting system with the motherboard.

Rich Connectivity – The advanced I/O panel features a USB 3.1 (Gen 2) Type-C port, four additional USB 3.0 ports, a fan speed control button and an RGB control button.

COSMOS C700P Black Edition

The COSMOS C700P Black Edition extends further than its matte black coating, comprised of internal and external improvements upon the original. The PSU Shroud, flat radiator brackets, fine mesh panels, cable cover system, and an extra rear panel are all included to advance the COSMOS' modular origins.

While the panels and bars exhibit a pitch-black theme, the curved tempered glass possesses a lighter tint in comparison to the original. Builds enjoy a panoramic view through the dual-curved tempered glass, utilizing an arsenal of accessories at hand.

Raising the Bar(s) in the COSMOS C700P Black Edition means more out-of-the-box parts to build an out-of-this-world rig.

SPECIFICATIONS & PACKING INFORMATION

Product Name		COSMOS C700P Black Edition
Product Number		MCC-C700P-KG5N-S00
Exterior Color		Black
Materials	Body	Steel
	Windowed Side Panel	Curved Tempered Glass
Dimensions (L x W x H)		639 x 306 x 651mm
Motherboard Support		Mini-ITX, Micro-ATX, ATX, (E-ATX up to 12" x 10.7" may impact cable management options)
Expansion Slots		8
Drive Bays	5.25"	1
	Combo 3.5" / 2.5"	4
	2.5" SSD	4
I/O Panel	USB Ports	USB 3.0 x 4 USB3.1 Gen2 Type C x 1
	Audio In / Out	3.5mm Audio Out Jack x 1 3.5mm Mic Jack x 1
	Other	Fan Speed Control Button Lighting Control Button
Pre-installed Fan(s)	Front	140mm x 2, 1200RPM
	Rear	140mm x 1, 1200RPM
Fan Support	Top	120/140mm fan x 3
	Front	120/140mm fan x 3
	Rear	120/140mm fan x 1
	Bottom	120/140mm fan x 2 (bracket needed)
Radiator Support	Top	120mm, 140mm, 240mm, 280mm, 360mm, 420mm (remove ODD, maximum thickness clearance 70mm)
	Front	120mm, 140mm 240mm, 280mm, 360mm, 420mm (remove ODD)
	Rear	120mm, 140mm
	Bottom	120mm, 140mm, 240mm
Clearances	CPU Cooler	198mm
	Power Supply	336mm
	Graphics Card	490mm (without 3.5" HDD BRK) 320mm (with 3.5" HDD BRK)
Dust Filters		Top, Front, Bottom
Power Supply Support		Bottom mount, ATX PS2
